EXPERIENCE LETTER

Date: 16 APRIL 2026

To Whomsoever It May Concern,

This is to certify that **Ms. BANA VATHI DEEPA BAI** was associated with **LifeBox NextGen Pvt. Ltd.** as a **Full Stack Developer Intern** from **05 December 2025 to 25 March 2026**, with responsibilities spanning both frontend and backend development for the **ERP Project**.

During her tenure, she was actively involved in full stack application development, including building responsive user interface components, implementing client-side logic, designing and developing backend services, and integrating frontend interfaces with RESTful APIs.

She contributed to the development of **multiple ERP modules, including HR, Payroll, Attendance, Examination, and Student Information System (SIS)**. Her responsibilities included developing structured UI workflows, implementing form validations, designing API endpoints, handling database interactions, and ensuring seamless data flow between frontend and backend systems.

She worked closely with development and testing teams to resolve both frontend and backend issues, support deployment activities, and enhance the overall performance, usability, and scalability of the application in live project environments.

Throughout her association with the organization, she demonstrated professionalism, technical competence, and a proactive approach to full stack development responsibilities.

We wish her success in her future professional endeavors.

Sincerely,
Bhanu Prakash Reddy
